Education and Culture DG

'Youth in Action' Programme

## The objectives will be pursued by:

- Fostering, collecting and disseminating best practices;
- Developing existing training cycles addressing youth information trainers and workers;
- Publishing and enriching an online platform for generalist youth information workers;
- Fostering quality peer-to-peer practices;
- Involving young people in youth information work, especially in the dissemination of user-centred information.

'Youth in Action' Programme

# YOUTH INFORMATION PLATFORM

Youth Information Platform is an online platform to be created by the project partners.

It will be at the disposal of youth information workers and trainers. The Platform will contain a range of information for youth information workers, trainers, and other interested parties.
