what?

What is SHERYICA?

SHERYICA is the online platform for **youth information workers and centres** in Europe. It is designed for disseminating information, news and stories, to keep track of and benefit from each other's work and ideas. SHERYICA is also a unique space for youth information workers to get in touch with fellow professionals, share competences and exchange good practice. SHERYICA also promotes the posted content through Facebook and Twitter!

how?

How does SHERYICA work?

It's easy! First start with setting up your **personal account**: just go to www.sheryica.org, then to "Create account". You are just a few clicks away from being part of the platform. Choose your user name and password, upload a picture, add your competences – and there you go! You are part of SHERYICA.

why?

Why participate in SHERYICA?

Being part of SHERYICA gives you the **opportunity to share** your work and ideas with a unique network of youth work professionals. Get inspired, **promote** your work and at the same time **get a better picture** of what other youth information workers are busy with. Are you working on a project and need help with how to design it? Are you looking for project partners? Or you simply like to keep track of what others are working on? Just go to SHERYICA and profit from the experience of a whole lot of fellow youth information workers and make your work as a professional even more fun and effective.
